# A Journey South

Help me to get through the pancake ice and ice floes to the bow of my ship. My job is to count some animals I see along the way. A key is listed above. How many can you find?

1 = 12 2 = 6 3 = 22 4 = 50

Can you spot the differences between the two drawings? The one on the left is the original. There are 12 differences to find.
